

**NOTICE OF PUBLIC WORKSHOP  
NEVADA IRRIGATION DISTRICT  
DS CANAL FLUME REPLACEMENT PROJECT**

In order to improve reliability on the DS Canal system, the Nevada Irrigation District (NID) is proposing to replace eight flumes. The proposed new flumes will provide capacity to eliminate the current temporary freeze on new water sales on the DS Canal and all lateral canals.

On May 30, 2007, NID is hosting a public workshop on the DS Canal Flume Replacement Project. The purpose of this workshop is to describe the project and to discuss any concerns or issues regarding the project or determination of a mitigated negative declaration, for the CEQA process.

The NID has prepared an Initial Study as required under the California Environmental Quality Act (CEQA) guidelines. The Initial Study has resulted in a Mitigated Negative Declaration (MND). The MND indicates that no significant environmental effects will occur due to mitigation measures that will be implemented which will reduce all impacts to less than significant levels. NID staff will be recommending that the NID Board of Directors adopt the proposed Mitigated Negative Declaration (MND) and approve the proposed pipeline project.

The MND is available for public review at the NID office located at 1036 W Main Street, Grass Valley, CA 95945 and online for download at the NID website at <http://www.nidwater.com>

The NID encourages property owners to attend and participate in the planning phase of this proposed project. In the event you can not attend the workshop but would like to contribute information or comments towards the project please send all comments in writing to Tonia M. Tabucchi Herrera at Nevada Irrigation District, 1036 W. Main St. Grass Valley, CA 95945. The Mitigated Negative Declaration is scheduled for adoption by the Board of Directors on June 13, 2007. Public review comments are needed prior to that date.

**PUBLIC WORKSHOP:**

Date: May 30, 2007

Schedule: 6:00 pm – 7:30 pm

Location: Nevada Irrigation District Board Room  
1036 W. Main Street  
Grass Valley, CA 95945
