

Recreation Activities Report

March 17, 2020 – May 19, 2020

Scotts Flat Campground

Projects in Progress or Completed:

- All of our campgrounds and boat launches are closed, boating to open on May 29th with limitations; camping reservations have been cancelled through June 14th
- We are working closely with the Nevada County Health Department to make sure when we do open we are following their regulations and, most importantly our employees and the public is safe
- Top Building Maintenance Inc. has been contracted to disinfect and sterilize the boat launch bathrooms seven days a week in the mornings
- Scotts Flat office will remain closed to the public, all business will be ran though the gatehouse, as our other campgrounds do
- Plexiglass shields have been installed at all of the gatehouses and we are in the process of installing plexiglass shields at are marinas and campground stores
- A POS (Point of Sales System) has been ordered for Recreation sales; we are just waiting on the laptops. This will help to remove the auditor's findings on cash handling
- All of the campgrounds now have internet at their gatehouses and stores
- Tree work at Scotts Flat Gate 2 and Casci Road is complete for now
- With the campgrounds being closed, it gave extra time to squeeze in some tree work at Gate 1; we had 13 dead trees and clean up from storm damage
- The 2020 season is slowly but surely getting underway, we have brought on 14 temporary employees, compared to the 40 we would normally have at this time
- We, along with our neighbors, are having a bit of a bear issue. We have a mama and three cubs; they caused damage to one of our bathrooms and got into our marina store through the window

Future Projects:

- Painting the showers
- Replace the retaining wall between the marina store and the lake

Orchard Springs Campground

Projects in Progress or Completed:

- Staff reset the boat slip area, replaced a few damaged slips, and added a few stabilizing weights

- Staff repaired the fence around the meadow due to a downed tree
- Staff has been working on cleaning the day-use area from lake debris and washed up trees

Future Projects:

- Order picnic tables and umbrellas for the store picnic area
- Install a shade structure over the picnic and play area

Long Ravine Campground

Projects in Progress or Completed:

- The water system replacement is almost complete; the target date for completion is May 22nd
- The new boat slips are built and out on the water ready to go for the season
- Robinsons Enterprises has disposed of all the old slips
- We blocked off a few unauthorized access points we were having issues with

Future Projects:

- Re-stripe the boat launch and over-flow parking lots prior to May 29th

Peninsula Campground

Projects in Progress or Completed:

- Peninsula has been closed since September 12, 2019
- Camp hosts are working on site clean-up

Future Projects:

- Creating a day-use/swim area

Upper Division, Jackson Meadows Campground

Projects in Progress or Completed:

- Jackson Meadows is closed through June 14th which could be extended
- Pass Creek boat launch is open, but due to snow may not be accessible at times
- We are working closely with both Sierra and Nevada Counties and the USFS on a potential opening date for camping and what the camping season might look like

Future Projects:

- Pass Creek dump station will need to be repaired prior to opening
- Tree work at Sawmill dispersed sites
- Replacing all the campground barriers
- Making sure we have three camp host for the 2020 season

Combie Reservoir

Projects in Progress or Completed:

- Staff is moving forward with the updated dock encroachment rules and regulations and dock specs. It was taken to APC in May, recommendations were made, and we will be bringing it back to APC in June

Future Projects:

- Working with NID's Encroachment Department to determine and start the clean-up process for all the non-authorized encroachments on Combie and our other reservoirs

Greenhorn Campground

Projects in Progress or Completed:

- During the COVID-19 pandemic, I am in contact with the Liserra's two to three times a week giving them guidance and helping them get to an opening process
- Greenhorn opened their boat slips on May 15th

Future Projects:

- Continue to help the Liserra's when necessary and feasible. It's nice to work as a team
- Install our Quagga Mussel sign for self-inspection and get Greenhorn staff implementing and supporting our self-inspection program
