The Region 3 Nominating Committee is looking for ACWA members who are interested in leading the direction of ACWA Region 3 for the 2026-'27 term. The Nominating Committee is currently seeking candidates for the Region 3 Board, which is comprised of Chair, Vice Chair and up to five Board Member positions. In a separate but concurrent process, ACWA's Election Committee has announced its call for candidates for ACWA President and Vice President. **More information about both processes is available at [www.acwa.com/elections](http://www.acwa.com/elections).** The leadership of ACWA's 10 geographical regions is integral to the leadership of ACWA. The members of the Region 3 Board determine the direction and focus of region issues and activities. Additionally, they support the fulfillment of ACWA's goals on behalf of members and serve as a key role in ACWA's grassroots outreach efforts.

If you, or someone within your agency, are interested in serving in a leadership role within ACWA by becoming a Region 3 Board Member, please familiarize yourself with the [role and responsibilities](#) of the region boards and the [Region 3 Rules and Regulations](#) and submit the following documents by **June 20**:

- [A candidate nomination form](#)
- **A signed resolution of support from your agency's Board of Directors** ([A sample resolution is available online](#))

In addition to the required documents, you may also send a short biography and a headshot photo to be included in the candidate section of ACWA's elections webpage; however, these are not required.

The election will begin on July 21 with electronic ballots emailed to General Managers and Board Presidents. The ballot will include the Nominating Committee's recommended slate and any additional candidates interested in the region board positions who meet the qualification criteria.

All region ballots must be submitted by Sept. 19. One ballot per agency will be counted. Election results announced Sept. 26 and the newly elected Region 3 Board Members will begin their two-year term of service on Jan. 1, 2026.

*ACWA Regions provide the grassroots support to advance ACWA's legislative and regulatory agenda.*

### Background

As a result of ACWA's 1993 strategic planning process, known as Vision 2000, ACWA modified its governance structure from one that was based on sections to a regional-based configuration. Ten regions were established to provide geographic balance and to group agencies with similar interests.

### Primary Charge of Regions

- To provide a structure where agencies can come together and discuss / resolve issues of mutual concern and interest and based on that interaction, provide representative input to the ACWA board.
- To assist the Outreach Task Force in building local grassroots support for the ACWA Outreach Program in order to advance ACWA's legislative and regulatory priorities as determined by the ACWA Board and the State Legislative, Federal Affairs or other policy committees.
- To provide a forum to educate region members on ACWA's priorities and issues of local and statewide concern.
- To assist staff with association membership recruitment at the regional level.
- To recommend specific actions to the ACWA Board on local, regional, state and federal issues as well as to recommend endorsement for various government offices and positions.

Region chairs and vice chairs, with support from their region boards, provide the regional leadership to fulfill this charge.

*Note: Individual region boards CANNOT take positions, action or disseminate communication on issues and endorsements without going through the ACWA Board structure.*

## GENERAL DUTIES / RESPONSIBILITIES FOR REGION OFFICERS
