Preamble

This Memorandum of Understanding (MOU) is entered into by the Nevada Irrigation District (District), and the American Federation of State, County and Municipal Employees (AFSCME) Local 146, AFL-CIO. The parties met and conferred in good faith regarding wages, hours, and other terms and conditions of employment for employees and freely exchanged information, opinions, and proposals in reaching this Agreement.

Article 1 - Union Rights

1.1. Recognition

The District recognizes AFSCME as the exclusive representative of employees listed in Appendix A.

1.2. Access

AFSCME is permitted access to District property to confer at reasonable times with District employees on matters of employer-employee relations. Representatives will not interfere with the work in progress and must request and receive authorization from the District's General Manager or designee, before entering the premises.

1.3. Stewards

AFSCME will provide District in writing with the names of shop stewards and subsequent appointments, if any. Employees appointed as shop stewards are required to work full-time in their respective classifications and will not interrupt the work of other employees. A steward may, with the permission of their supervisor, leave their workstation during working hours for reasonable periods to investigate pending grievances and to present said grievances to representatives of the District. No steward may leave their job site without first obtaining the permission of their supervisor. Permission may be withheld by the supervisor, if, at the sole discretion of the supervisor, the steward's presence is necessary for the safe conduct and efficiency of the operations. Permission by the supervisor will not be unreasonably withheld.

1.4. Bulletin Boards

The District provides AFSCME bulletin boards at the District Office, the Placer and Grass Valley Yards, the Placer Office and Hydroelectric Department Office, and the Scotts Flat Recreation Division Office for the purpose of posting notices pertaining to Union business.

1.5. Dues Deduction

Upon certification from AFSCME that an employee has signed an authorization for the deduction of dues, the District will make payroll deductions in an amount to be determined by AFSCME and communicated to the District annually. The District promptly remits deductions to AFSCME. Employee requests to cancel membership dues deductions must be directed to AFSCME. Upon notification from AFSCME that an employee has canceled

membership dues, the District will promptly cease dues deductions from the employee's paycheck. AFSCME must hold the District harmless from all claims and will indemnify it against any unusual costs in implementing these provisions and will indemnify the District for any claims made by the employee or deductions made in reliance on that certification, in accordance with Government Code § 1157.12(a).

1.6. Advance Notice

The District will provide notice to AFSCME regarding changes in job classifications or policy that fall within the scope of representation under the Meyers-Milias-Brown Act (MMBA). AFSCME has fifteen (15) days to request a meet and confer.

1.7. Orientation

The District will provide AFSCME with a list of new hires in the bargaining unit and their classifications five (5) days in advance of the new employees' start date. AFSCME's Business Representative or designee will be given the opportunity to make a membership presentation to a new employee within ten (10) days of the employee's start date.

Article 2 - Probationary Period

New employees will complete a six (6) month probationary period. The Department Director may extend the initial probation for up to six (6) months in writing prior to the end of the initial probationary period. If no extension is proposed before the end of the initial probationary period, the employee will be considered to have passed probation.

The probationary period of an employee who is absent from work, temporarily reassigned to work in another classification, or temporarily assigned to perform modified or light-duty work will be extended by the same amount of time as the absence, reassignment, or modified/light duty assignment.

Employees who have not completed their initial probationary period are permitted to apply for open positions. If the employee is selected to fill the position, the employee is required to complete a new probationary period.

Employees who transfer or promote to a new classification are required to complete a new six (6) month probationary period.

During the probationary period, an employee may be released at any time by the Department Director, with or without cause, and with or without prior notice to the employee. The employee will be notified of release from probation. An employee who has been released during the probationary period has no right to appeal or grieve the decision.

Article 16 - Shift Differentials

16.1. Weekend Differential

Employees who are routinely and consistently scheduled to work the weekends receive Shift Differential in the amount of five percent (5%) of their base hourly rate of pay for hours on Saturdays and Sundays.

16.2. Night Shift Differential

Employees who work the night shift will receive point four (0.4) hours of CTO per night shift.

Article 17 - Layoffs and Bumping Rights

17.1. Policy

At any time, if the District determines that one (1) or more positions are to be eliminated for any reason, an employee filling the position may be laid-off.

17.2. Notice

The District will provide AFSCME notice of the proposed layoffs. Employees affected by a layoff will be given at least two (2) weeks prior notice.

17.3. Seniority Defined

For purposes of layoff, seniority is defined as an employee's current continuous full and part-time service in a classification plus higher classifications in the series.

17.4. Ties in Seniority

If there is a tie in seniority, the first tiebreaker will be determined by the total length of current continuous District service; if a tie remains, the tie will be broken by lot.

17.5. Order of Layoff

Employees will be laid-off in the inverse order of their seniority.

17.6. Layoff or Displacement Options

An employee notified of layoff has the following options:

- a. Bumping Rights: If a full-time employee has held permanent status in a lower classification, the employee may voluntarily demote to that lower classification if

the employee meets the current minimum job qualifications and has more seniority than at least one (1) of the incumbents in the lower classification.

An employee exercising bumping rights must provide written notice of such to the Director of Human Resources within seven (7) days of receipt of notice of layoff. An employee bumping to a lower classification will be placed on the salary step representing the least loss of pay. An employee who does not timely exercise bumping rights will forfeit the ability to bump and will be laid off.

- b. Accepting a transfer, if applicable: If an employee is unable to bump another employee, the employee may be eligible for transfer to a vacant position if the employee is qualified and capable of performing the duties of the vacant position, as determined by the General Manager or designee.

An employee accepting an offered transfer must provide written notice of such to the Director of Human Resources within seven (7) days of receipt of notice of layoff. An employee who does not time provide notice of acceptance of transfer opportunity will be laid-off. An employee transferred in lieu of layoff will be paid at the rate of pay for the new position at a step to be determined by the General Manager. The employee will serve a new ninety (90) day probationary period.

17.7. Reinstatement List

- a. The names of all employees in regular positions who are laid off or who are demoted in lieu of layoff (either through a transfer or through bumping) will be placed on a reinstatement list. Reinstatement lists remain in effect for two (2) years, unless exhausted sooner.
- b. If a position is reestablished, then employees on the reinstatement list will be offered the position in reverse order of the layoff. Failure to respond to and accept a reinstatement offer within seven (7) days of the date of the offer will result in the removal of the employee from the reinstatement list. It is the employee's responsibility to notify the District of any change to the employee's contract information.

Article 18 - Disciplinary Procedure

18.1. Employee Representation

Employees may have a representative present at all stages of the disciplinary process, provided that the representative is not a party to the action. When an employee is required to meet with a supervisor or director and the employee anticipates that such meeting will involve questioning leading to disciplinary action (i.e., an investigatory interview), upon request, the employee is entitled to have a steward or other representative present. Upon request, the employee is entitled to know the general subject of any meeting the employee is required to attend.

An employee is free to request and designate their representative/attorney at any step of the discipline procedure. The request or designation at any step of the discipline procedure does not prevent an employee from requesting or designating a different representative/attorney to appear on the employee's behalf at a subsequent step in the discipline procedure.

18.2. Progressive Discipline

The District applies the principle of progressive discipline where a disciplinary penalty will depend on multiple factors including but not limited to the severity of the offense, recidivism, aggravating and/or mitigating circumstances, and the employee's overall disciplinary history, if any. Disciplinary actions may be monetary and/or non-monetary. Examples of disciplinary action include, but are not limited to:

- a. Warnings: Warnings are not considered discipline. Warnings may either be verbal or written reminders relating to the policy of the District and represent notice and an effort on the part of the District to assist employees with improving performance. Warnings may include confirmations of discussion, documented coaching and counseling meetings with written policy reminders, counseling memoranda, or performance improvement plans (PIP).
- b. Reprimands: Reprimands will be removed from the employee's personnel file after one (1) year from the date of the Reprimand, provided there has been no recurrence of the conduct forming the basis for the Reprimand.
- c. Reductions in Pay.
- d. Unpaid Suspensions.
- e. Demotions.
- f. Employment Termination.

18.3. Grounds for Discipline

Grounds for discipline include but are not limited to the following:

- a. Actual or threatened violence, harassment, and/or abusive treatment of the public or fellow employees.
- b. Conviction of a felony or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of the employee's position. A plea of guilty or a conviction following a plea of *nolo contendere* is deemed to be a conviction within the meaning of this section.
- c. Failure to possess or keep in effect any license, certificate, or other similar requirement specified in the employee's position specification.

- d. Dishonesty.
- e. Possession, distribution, sale, use, or where performance of duties is impaired by alcoholic beverages or illegal drugs while on District property, while on duty or while operating a vehicle on District business.
- f. Theft or unauthorized removal or possession of property or equipment from the District, other employees, or anyone on District property.
- g. Falsifying, making erroneous entries or material omissions on District records.
- h. Disorderly and/or unsafe conduct or actions, including violating safety or health rules or practices or engaging in conduct that creates a safety or health hazard.
- i. Willful destruction, damage and/or misuse of property of the District, another employee, or a District visitor.
- j. Possession or use of dangerous or unauthorized materials, such as explosives, firearms, or other similar items capable of causing great bodily harm or death while on District property, while on duty, or while operating a District vehicle.
- k. Incompetence, inefficiency, negligence, failure to perform work as required, and/or unsatisfactory performance including quantity and/or quality of work product.
- l. Violation of established District codes, policies, procedures, rules, and regulations, and/or violation of any lawful or reasonable regulation or order made and given by an employee's supervisor.
- m. Insubordination, including improper conduct toward a supervisor or refusal to perform tasks assigned by a supervisor in the appropriate manner.
- n. Excessive (and/or abusive) absenteeism and/or tardiness, including abuse of established sick leave policies and other leave and/or attendance policies.
- o. Smoking in prohibited areas.
- p. Engaging in unlawful strikes, individual or group slowdowns or work stoppages, or for violating or ordering the violation of the Memorandum of Understanding.

18.4. Notice for Reductions in Pay, Unpaid Suspensions, Demotions, and Terminations

The employee and AFSCME will be given written notice of proposed disciplinary action at least seven (7) calendar days prior to the date of the proposed disciplinary action.

Prior to the effective date of the disciplinary action that results in a pay reduction, unpaid suspension, demotion, or termination, the employee may request a Skelly meeting to discuss the proposed disciplinary action. The employee or their representative may respond to the proposed disciplinary action.

If the District decides to proceed with disciplinary action after the Skelly meeting, the Skelly Officer will prepare a Notice of Discipline including the facts, the discipline imposed and describe the employee's appeal right.

18.5. Appeal of Suspensions of Three Days or Less

An employee or their representative may appeal reductions in pay or unpaid suspensions of three days or less directly to the General Manager by notifying the Director of Human Resources within seven (7) calendar days of the issuance of the Notice of Discipline by the Skelly Officer.

18.6. Appeals of Suspensions of Greater than Three Days

An employee or their representative may appeal reductions in pay or unpaid suspensions of more than three days, demotions, or termination, to Mediation and/or an Administrative Law Judge by notifying the Director of Human Resources within seven (7) calendar days of the issuance of the Notice of Discipline by the Skelly Officer.

18.7. Mediation

If the employee or their representative requests mediation, the Director of Human Resources will request a mediator from the California State Mediation and Conciliation Services. The Parties will schedule mediation as soon as practicable. Any cost for the mediator will be shared equally by the parties.

18.8. Administrative Law Judge

If the employee is unhappy with the outcome of mediation or requests to go directly to an Administrative Law Judge, the Director of Human Resources will contact the California Office of Administrative Hearings to assign an Administrative Law Judge. The Director of Human Resources is responsible for scheduling and notifying the employee about the time and place of the hearing and notifying the Administrative Law Judge of the nature of the proceedings.

Unless otherwise stipulated, the hearing is closed to the public and conducted in an informal manner under the direction and authority of the Administrative Law Judge.

Employees called as witnesses serve without loss of pay.

The cost of the Administrative Law Judge and court reporter will be shared equally between the District and Union. The transcript of the hearing becomes a record of the proceedings for the purpose of any future judicial review.

18.9. Final Decision

Within forty-five (45) calendar days of the conclusion of the hearing, unless waived by the parties, the Administrative Law Judge will prepare the record of the hearing and will submit a written decision of findings of fact, rulings of law (if any), and an advisory decision

to the General Manager. Copies will be sent to the parties. The General Manager will provide employees and their representatives with a written decision. The General Manager's decision is final and binding.

Article 19 - Grievance Procedure

The purpose of this procedure is an orderly process for reviewing and resolving employee grievances at the lowest possible administrative level in the shortest possible time.

19.1. Definitions

1. A grievance is a complaint of one (1) or more employees or a dispute between the Union and the District involving the application or enforcement of the express terms of this Agreement.
2. A grievant is one (1) or more employees or the Union who submits a grievance.
3. Disciplinary actions of an employee will not be subject to the grievance procedure pursuant to this Article. Those matters will be governed by the disciplinary procedures set forth in this Agreement.
4. The written grievance will include the following:
 - a. A statement of the grievance clearly indicating the question raised by the grievance and the article(s) and section(s) of this Agreement.
 - b. The remedy or correction requested.
 - c. The grievance form must be signed and dated by the grievant.

19.2. Step 1

Within fifteen (15) calendar days from the event giving rise to the grievance or from the date the employee could reasonably have expected to have had knowledge of such event, the grievant shall file a formal written grievance with the employee's Department Director. Within fifteen (15) calendar days of the receipt of the grievance, the Department Director or designee will investigate the grievance. Within thirty (30) calendar days of the receipt of the grievance, the Department Director or designee will provide the grievant a written response.

19.3. Step 2

If the grievant is not satisfied with the step one (1) response, the grievant may, within fifteen (15) calendar days, file a written appeal to the General Manager. Within fifteen (15) calendar days of the receipt of the grievance, the General Manager will investigate the grievance. Within thirty (30) calendar days of the receipt of the grievance, the General Manager will provide the grievant a written response.

19.4. Step 3

If the grievant is not satisfied with the step two (2) response, the Union may, within fifteen (15) calendar days, file an appeal to an arbitrator by notifying the Director of Human Resources. The parties may agree on an arbitrator. If they are unable to do so, the Director of Human Resources will request a list of arbitrators from the State Mediation and Conciliation Services. The arbitrators must reside in Northern California and have public agency experience. The parties will alternate striking names until one (1) arbitrator remains. The moving party strikes first.

19.5. Conduct of the Hearing

The Director of Human Resources will be responsible for scheduling and notification as to the time and place of the hearing and for notifying the Arbitrator of the nature of the proceeding.

Unless other stipulated, the hearing is closed to the public and conducted in an informal manner.

Employees called as witnesses will serve without loss of pay.

An Arbitrator's decision may not alter any provisions of this Memorandum of Understanding, any District ordinance or resolution, or any State or Federal law or regulation.

19.6. Costs

The cost of the Arbitrator and the list(s) from the State Mediation and Conciliation Service will be shared equally between the District and Union. Should an Arbitrator require a court reporter, the parties will share the cost equally. The transcript of the hearing becomes a record of the proceedings for the purpose of any future judicial review.

19.7. Final Decision

Within forty-five (45) calendar days of the conclusion of the hearing, unless waived by the parties, the Arbitrator will prepare the record of the hearing and will submit a written advisory decision to the General Manager. Copies will be sent to the parties. The Arbitrator's decision is final and binding.
